**S&J Asphalt Paving Co.**

Canton, MI

Secretary's Assistant

- At this company, I help the secretary. My dad owns the business, so it was easy for me to get a job young. I am paid \$10 an hour, and I do office work. (i.e.:filing, typing up bids, emailing, etc.) I really enjoy it, but it is not a steady job. I would like a set schedule and know that I can work at least once a week.
